PARTICIPATES IN RESURRECTION
CHURCH/BROOKLINE BUSINESSES PARTNERSHIP

I am helping to sponsor Resurrection's 100th year Anniversary by purchasing a Memorial Brick (valued at \$125) for anyone who SELLS or BUYS a home through me. This is a wonderful idea for the church. You win by receiving a Memorial Brick and the church wins by having more donations. The brick will be purchased at the time of closing. You can have the brick inscribed any way you like. I have been a Realtor since 1995. I have a Bachelor of Science degree in Marketing and Management. Sample of my marketing materials are available in the Church office. Call today for a FREE marketing analysis of your home.

Sincerely,
