RAFFLE PROFIT:	<u>\$9,257.26</u>	<u>\$8,005.00</u>

TOTAL FESTIVAL INCOME

\$43,609.48

\$29,657.22

Many, many thanks are in order to each and everyone who worked so hard on this year's festival. As you can see, the proceeds were lower than last year. I think we can attribute that to smaller crowds, higher cost of materials and supplies, and less disposable income in people's pockets. This is in line with the general decline in income we have experienced in Church giving. Let's work and pray for an improvement in this situation for the future.
